

Product Datasheet

T

Technical Specification

1. Description

Superior water hose
 Cadmium free, Barium free.
 Special construction to reduce Torsion under pressure.

2. Applications:

Water hose for irrigation, horticulture, sports grounds, domestic and industrial use.

3. Tube

PVC

4. Cover

PVC

5. Reinforcement

Polyester knitted Yarn

6. Temperature

-20 Deg C to +55 Deg C

7. Coil Size

25, 50 and 100 mtrs (30 mm & 40 mm in 50 mtr coils only)

8. Colour

Yellow
